# Bus Tracking

Hume Anglican Grammar has implemented the RollCall System into its Private Bus Service.

RollCall allows:

- Students to tap on and off the bus using a smart card
- Bus rolls to be taken electronically
- Parents to receive live alerts when their children get on and off the bus\*
- Parents able to track the buses in realtime allowing better awareness of any any significant delays in the Bus service\*
- Parents to securely request a temporary or permanent change to a student's designated Bus stop
- Parents can notify the school of a bus absence (Please note this is for the bus only - at this point you still need to inform the school of any absence from school)\*
- Bus tracking to allow the school to monitor the daily commutes
- The school to offer casual usage of Buses where capacity is available

While there will be no additional charge to parents to use the RollCall service please note that a \$10 fee will be payable should a replacement smart card be required.

\* Available via the RollCall ParentApp
