# Bus Tracking

Hume Anglican Grammar has the Bus Minder System on its Private Bus Service.

Bus Minder allows:

- Students to tap on and off the bus using a Bus Tag
- Bus rolls to be taken electronically
- Parents to receive live alerts when their children get on and off the bus\*
- Parents are able to track the buses in realtime allowing better awareness of any significant delays in the bus service\*
- Parents to securely request a temporary or permanent change to a student's designated bus stop
- Parents can notify the school of a bus absence (Please note this is for the bus only - at this point you still need to inform the school of any absence from school)\*
- Bus tracking to allow the school to monitor the daily commutes
- The school to offer casual usage of buses where capacity is available

While there will be no additional charge to parents to use the Bus Minder service please note that a \$15 fee will be payable should a replacement Bus Tag be required.

\* Available via the Bus Minder ParentApp
