To provide parents and students with a comprehensive set of guidelines related to the uniform so it is always worn correctly and is clean, in good repair and of a good fit in accordance with the expectations of this policy.

## 5.0 Rationale

School uniform is compulsory for students attending Hume Anglican Grammar. This is a policy matter that parents and students agree to support by virtue of enrolment at the School.

A properly worn uniform:

- Will enhance the School image and student pride in the School.
- Is an indicator of a positive school tone.
- Is a means of student identification with the School community.
- Provides a strong representation of the School at inter-school and broader community events.
- Allows the wider community to identify our students.
- Diminishes clothing costs, fashion competitiveness and superficial individual differences.
- Provides one avenue through which students may learn respect for societal norms.
- Teaches students to be well presented and respectful of the School's expectations.

At Hume Anglican Grammar students are required to wear the uniform which is easy to wear, inexpensive, and reflects the values of the School. The uniform is only available for purchase through the schools authorised provider, currently *Noone's Imagewear*
